## HOUSEKEEPING

Home & Community Support Services Grey-Bruce Housekeeping program delivers support to individuals who live in their own homes and need assistance with household chores and/or nutrition and meal preparation. Services include routine and seasonal cleaning, laundry, meal planning, and meal preparation. The service can also include basic pet care, errands, and grocery shopping.

Clients for the Housekeeping Program include adults who are unable to complete routine household tasks. This may be due to cognitive impairment, physical disability, frailty, or an acute or chronic illness.

This service is available Monday to Friday. Frequency and the scope of the service will be based upon a comprehensive in-home needs assessment.

There is an hourly client fee for this service. Financial assistance may be available.
