# TRANSPORTATION SERVICES

Home & Community Support Services Grey-Bruce Transportation program provides trips for social purposes and non-emergent medical appointments. Transportation is provided by trained volunteers using their personal vehicles and paid drivers utilizing wheelchair-accessible vans.

There is a nominal client fee for services based upon the distance travelled and available funding sources. Financial assistance may be available.

A minimum of two business days notice is required to book a trip. All rides must be arranged through our offices.

- to/from hospital
- dialysis
- doctor
- dentist
- optometrist
- lab work
- x-rays
- shopping
- hair appointment
- banking
- social visits
